# What is Krypto Inu

Krypto inu is a Brand New DeFi Token based on binance smart chain with a Token Rewards on every transaction. the token was inspired by krypto The SuperDog the legendary cartoon dog one of the most-loved cartoon dogs to appear on film or television.

Krypto is a white dog of the breed known as a Kryptonian dog, which is native to the planet Krypton. Like Superman, Krypto has superpowers, including super strength, super speed, and heat vision. He is also highly intelligent and has a strong sense of loyalty to Superman, often helping him in his battles against evil.

# NFT & Staking
